OCALA YIELDS A SURPRISE

MOLESEY, EXTREME OUTSIDER, SCORES IN MONCREIF PARK FEATURE.

Ben Double and Oberon Make Showings That Are Distinctly Disappointing—Racing for Havana Next Winter.

Jacksonville, Fla., March 12.—The Ocala Handicap, the feature race of the card offered at Moncreif this afternoon, furnished a big surprise when Molesey, the extreme outsider, won easily from the well-backed favorite, Hill Top. Molesey was a distant trailer in the early stages, closed with a great stretch rush and was going away at the end. The greatest disappointments of the day were Ben Double and Oberon. The former, heavily backed by his connections, was a keen factor to the stretch turn, when Royal Captive took command. Oberon was a receding favorite in his race and made a poor showing despite a slow pace. Mamie Algol was the good thing in this race, and she won in a canter.

T. M. Green scored a decisive victory over John Griffin II. in the third race. In the opening race, two-year-olds were asked to go four and a half furlongs for the first time and Jack Denman proved an easy winner.

Edward Maginn, secretary of the Latonia Jockey Club, left for Tampa tonight, but announced that he would be back early next week to take entries for the stakes offered by the association he represents.

W. A. Kirwan will ship his stable from Tampa here on Tuesday next. Several other horsemen racing at the west coast track have asked for stalls at Moncreif.

Charles O. Smith and C. Colby were visitors at Moncreif this afternoon. They announce that a meeting will probably be given in Havana next winter and that it will be subsidized by the Cuban government.

Jockey Howard announced that he would rest for a few weeks, which means that he will not be seen in the saddle during the remainder of the local meeting.

Allonby broke down in his race today and will be retired, his owner having given up all hope of bringing him back to the races.

GOSSIP FROM THE BLUE GRASS REGION.

Lexington, Ky., March 12.—The trainers at the Kentucky Association course have had another satisfactory week. The weather continued good and progress was made in the work of the horses, though few attempted anything beyond gallops at a 2:00 gait. With the opening of the Kentucky racing season still seven weeks away, there is ample time to get ready. The health of the horses is excellent.

Irving H. Wheatcroft, who has returned from British Columbia, rode out to the track Thursday and saw the two-year-olds that William Steele is handling for him gallop quarters in about 26 seconds, hard held, and expressed himself as highly pleased with them.

The only additions to the strings in training reported during the week were a couple of two-year-olds sent up from Sunny Slope Farm, Midway, by J. V. Shipp to James P. Ross. One is by Blues and the other by Mazagan.

Pollock Howard, a colored man who for a number of years was foreman of Julius Bauer's stable, is training at the local tracks four maidens—one three-year-old and three two-year-olds—for Stephen D. Willis, who is connected with the internal revenue service here. The three-year-old is the chestnut gelding Egglestine, by Resolute II.—Little Belle. The two-year-olds are Erlanger, b. g. by Toddington—Rainaway; Bluefields, b. g. by Blues—Vandora; and Fraction, ch. f. by Pirate of Penzance—Decimal. The last-named two showed satisfactorily as yearlings.

Jockey Jimmy McIntyre arrived from New Orleans Monday and was sick in bed for three days. He spent much of the winter at Juarez. He says that if matters work out satisfactorily for him he may ride this year under contract to William Garth.

The jockey problem is one that is claiming the attention of a number of local trainers, particularly those who have horses with stake engagements. Walter Grater is casting about for a good boy to ride James C. Rogers' John Furlong in the Camden Handicap and Kentucky Derby. He would like to hear from any first-class rider who is not engaged for those two races.

Hal Price Headley, who is managing Beaumont Farm for his father, H. P. Headley, reports six foals at the home of Ornament this season. They are a chestnut colt by Ornament—May Hempstead, the first from this noted race mare in seven years; chestnut colt by Ornament—Nigella (dam of Oracle); chestnut filly, by Ornament—Genius; bay filly, by Knight Errant—New Leaf; chestnut filly, by Ornament—St. Ursula, and bay colt by McGee—Renown. The filly out of St. Ursula belongs to Homer Selby and the colt out of Renown is the property of H. K. Knapp.

Gus Easton, the veteran breeder of Kinley Mack and other noted racers, is in receipt of a letter from C. L. Harrison in which the popular New Yorker says it is likely that he will ship Waldo from Louisville to run in the Camden Handicap at a mile and an eighth. This race will be in the nature of a preliminary to the Kentucky Derby, for which Waldo is the present favorite. Among others that are being pointed for the Camden Handicap are Joe Morris, Boola Boola, Collis Ormsby, John Furlong, Belluf, Boca Grande, Donau, Fighting Bob and Fereno.

Kentuckians returning from Jacksonville say that it is not the intention of Phil T. Chinn and jockey V. Powers to remain in France the entire season of 1910. They say that Chinn and Powers will sail from New York April 9 and will return at the expiration of thirty days. Chinn bought in five two-year-olds at his sale at Moncreif Park last Saturday, and it is his intention to race these, along with some others that he now has at Harrodsburg, upon his return from France. Chinn had a number of partnership interests in the horses that went under the hammer and it was a sort of clearance sale.

Inspector General, the two-year-old son of Inspector B. and Princess Bowling, which won at Jacksonville Tuesday, was sold as a weanling for $50 to Frank Clarkson at the dispersal sale of the McGrathiana Stud here in October, 1908. His dam won many races, including the Lakeside, Flash and Englewood, Alabama Stakes and the Adirondack Handicap. She is the dam of Boserrian, Sweet Peas (dam of Many Colors) and Princess Mame (dam of Saucy M.).

Jockey Lucien Lyne, in a letter received this week by his father, Sanford Lyne, announces his return from Switzerland to Brussels and says he is in fine shape for riding this year in Belgium, where the racing season will open tomorrow. Lyne has renewed his contract with Count Ribancourt.

John W. May, who is handling eighteen thoroughbreds at Louisville for Schwartz Bros. and other New Yorkers, was here today and made announcement that he will ship to New York April 5. "I have engaged quarters at Sheepshead Bay," said May, "but it is my intention to begin racing with the opening of the season at Aqueduct on April 15. I haven't missed a gallop since I shipped my horses from Lexington to Douglas Park, six weeks ago, and they are all in good condition. They will be ready to race when they reach New York. I can't say that I have any world-beaters in the outfit, but I feel sure that I will get my share of the money this year."

A meeting of the directors of the Kentucky Association has been called for next Tuesday, at which the matter of purses, officials and other details for the spring meeting will be considered.

Charles Metz, who arrived from Jacksonville last night, will take up the horses Rifleman, Alta McDonald, Judge Lassing, Red River and four others belonging to Phil T. Chinn, and prepare them for racing here, at Louisville, Latonia and on the Canadian tracks. They have been turned out at the farm of Walter Payne near this city.

Monte Fox, a two-year-old bay colt by Cesarion—Metrical, the dam of Hammetrical, owned by J. W. Ferguson and trained by William Steele, surprised work-watchers at the local track this morning. With 128 pounds up he worked a quarter, hard held, in 24 seconds. The first eighth was run in 11½. W. L. Lewis, a colt by Ben Strome—Lone Sea, worked an eighth in 11½.

Colonel Milton Young today bought from B. E. Allen the yearling bay colt by Yankee—Femesole.

John McLaughlin, who will probably sell the auction pools at the Kentucky tracks, returned today from a month's sojourn at Hot Springs.

Henry M. Ziegler has three fine foals by Hermis at Highland Farm. They came this week, all are chestnuts in color and are marked like their illustrious sire. Countess Pepper, the dam of Polypheme, has a colt. The foals of Frederica, dam of Barleythorpe, and Long Lost, dam of Gramercy, are fillies.

JAMESTOWN STALLS IN LIVELY DEMAND.

Norfolk, Va., March 12.—Judging from the number of applications from owners and trainers for stall room at Jamestown, that meeting promises to outrank anything of the kind heretofore attempted here. From Jacksonville comes a request for twenty-five stalls to be reserved for J. W. Schorr, eight for Preston Burch, four for G. B. Morris, five for J. Hewitt and three for Frank Gardner. Applications from Tampa are twenty-five for R. F. Carman, six for M. Burton, five for J. T. Temple, seven for J. L. Courtney and three for G. J. Engelking. Carter Hall will bring five horses from Baltimore, while Benning will be represented by the strings of Samuel Ross, W. S. Diffenderffer and W. M. Parrish of Richmond. The track has been in fine condition throughout the winter.

IMPORTANT STAKES SOON TO BE DECIDED IN FLORIDA

Close at hand are the two most valuable and important stakes of the current winter meeting at Moncreif Park, Jacksonville. These are the Florida Special Handicap, carrying a value of $5,000, for three-year-olds and over, to be decided the coming Saturday, and the Derby, a $3,000 race for three-year-olds, scheduled for decision on Saturday, April 2. Widespread interest has been aroused in both events and the outcome of each will be awaited with keen interest. It is a coincidence that the declarations, which were made January 1, leave each of these interesting races with thirty-three eligibles, including in each instance the flower of the thoroughbreds in training at both of the Florida tracks.

It seems probable that the Florida Special field the coming Saturday will be made up of such horses as Hill Top, Taboo, Old Honesty, Pulka, Sotemia, Fauntleroy, Green Seal, Polls and Rio Grande. The Derby starters probably will include Lothario, Dixie Knight, Grandissimo, Boca Grande, Anavri, Pulka, Fauntleroy, Duke of Ormonde, Sager and Polls. A field of this caliber will insure a highly interesting struggle. Following are the conditions and lists of eligibles for each of these important races, together with the weights, announced yesterday, for the Florida Special:

Florida Special Handicap—For three-year-olds and upward; value $5,000 guaranteed, of which $4,000 to the winner, $600 to the second and $300 to the third, the fourth to save starting fee; distance one and one-quarter miles; to be run Saturday, March 19.

INTEREST REVIVES IN TAMPA RACING.

Tampa, Fla., March 12.—Today's attractive card was responsible for one of the largest crowds seen at the Tampa Bay course in a long time and gave a new lease of life to the waning race meeting. Reports from the betting ring indicated brisk speculation, with the honors resting with the bookmakers, due to the failure of nearly all the choices. The outstanding feature of the afternoon, a condition race at seven furlongs, brought together some of the best at the course, including Sir Cleges, Kercheval and others. Sir Cleges had Paradise Queen, also Carman owned, to help him land the purse, and Kercheval, because of the training of La Reine Hindoo by C. T. Patterson, had her for a running mate.

The race was marred somewhat by a poor start, of which Kercheval was the main sufferer. La Reine Hindoo was also as good as left, but in her case no fault could be attached to the starter, for she acted listlessly. The advantage that Sir Cleges obtained at the start stood him in good stead, for it enabled him to win by a comfortable margin from Kercheval. The latter closed up a big gap in the stretch and would have won with equal racing luck. Judge Henderson outstayed the others for third place. Billie Hibbs again demonstrated that he is one of the best sprinters at the course by conceding weight to Fundamental and Ormuz and landing the fifth race at the end of a hard drive. Incidentally it marked his ninth success here.

I. B. Fitzgerald scored a double during the afternoon, taking the opening dash with Granger Twist and following with Cottontail. R. D. Williams' Defier was backed in the opener to the exclusion of the other starters, but ran disappointingly and failed to get any portion of the purse. The connections of Greenlawn mulcted the ring out of a goodly sum by his victory in the third race when he beat Eminola. Greenlawn's showing today was a vast improvement over previous essays.

Jockey Cole's apprentice allowance expired when he landed Cottontail a winner in the second race, it marking his twenty-fifth victory on Florida tracks.

W. W. Lyle, who is slated for presiding judge at the Pensacola track, announced this afternoon that unless positively shown that the backing of the contemplated meeting is financially sound he will refuse to serve. He will also refuse to officiate in the event that W. H. Bickers is to be general manager. Developments regarding the meeting are expected during the next week. The general opinion is that there will be no racing at Pensacola this season.

E. E. Smathers, former owner of McChesney and other good racers, was a visitor and contributed to the layers by picking five losers.

FREE FIELD FOR DERBY DAY

MANAGER WINN OF NEW LOUISVILLE JOCKEY CLUB ANNOUNCES INNOVATION.

Same Plan to Be Followed That Marks Running of Historic English Classic at Epsom Downs—Bright Prospects for Kentucky.

Louisville, Ky., March 12.—A free field will rule on Derby day at Churchill Downs this spring. Colonel Matt J. Winn, manager of the New Louisville Jockey Club, has made this announcement. Said Colonel Winn:

"Realizing that this season the Kentucky Derby bids fair to be the most extraordinary race in the long history of the event, the executive committee of the New Louisville Jockey Club, at my suggestion, decided to make it possible for every person in the Falls City to see the big race, even though they lack the usual $1.50 admission fee.

"We purpose to make the great race in this respect on a par with the English classic for which it is named. There the running of the event can be seen by all, regardless of their financial condition, and as a result the English Derby has become the most fashionable and popular sporting event in the civilized world. We will have the center field of the track reserved entirely for those unable to pay to see the big race, and we expect a record-breaking crowd at Churchill Downs on May 10. I have long been in favor of this innovation and have at last got my associates in the management of the jockey club to look at it in the same light. My mind was made up as soon as I saw the brilliant list of entries that had qualified for the big event. I saw at a glance we were on the eve of the greatest Kentucky Derby ever run and I at once decided that I wanted every man, woman and child in the state to have a chance to see such a contest even though they are without a penny in their pockets.

"I want the general public to get a glimpse of the plant we are operating and show to the world at large what a real high-class horse race is. That as a sport it stands pre-eminent and knows no rival. I know for years we have had cited as a record-breaker the crowd that saw the Ten Broeck and Mollie McCarthy match run here in 1878, but mark my word next May that enormous concourse of people will be eclipsed by the crowd which gathers to see the Kentucky Derby of 1910 decided. I look for every inch of space to be occupied, and I know when that is accomplished, all records in this line in this country will be broken. I want to make the grounds of the New Louisville Jockey Club on May 10 next resemble Epsom Downs in England and a free field Derby day, in my opinion, will do it. I am much pleased that I have won my associates over to my way of thinking and I know now we will have the biggest race meeting ever held in this city."

Free Derby field was introduced at Churchill Downs by the late Colonel M. Lewis Clark, first president of the Louisville Jockey Club, at the inaugural meeting of the association in 1875. It was abandoned some years afterward for business reasons. It was long a popular feature and one of the chief attractions to the crowds who paid to see the big race, as the gathering in the inner enclosure could not be duplicated elsewhere in all the world. Commercialism accounted for the passing of the custom inaugurated by Colonel Clark, but Colonel Winn has always maintained that the first jockey club president had the right conception of the big racing day.

Secretary Lyman H. Davis has received in delayed mails from California thirty entries to the various stakes of the New Louisville Jockey Club from Colonel W. E. Applegate, the well-known local turfman, who is at present on the Pacific coast. He has also received eight more entries for the Kentucky Derby of 1911, this event now having the record-breaking number of 128 nominations. The total number of entries to all the stakes now foots up 935, an average of about eighty-five to a race. Secretary Davis' assistant, Ed Jasper, is expected from Mexico tomorrow, and on his arrival will begin at once the compilation of the usual book of entries.

The applications for stable room far exceed those of last year, when over 800 horses were quartered here, and both Secretary Davis and Colonel Winn figure on not less than 1,000 horses being in Louisville for the coming meeting.

Eugene Elrod, who will have charge of the betting ring, is here and will remain in the city until the meeting winds up here, except during the week when the racing is going on at Lexington, he having also been engaged to take charge of the betting ring there.

SCOPE OF MILLER BILL DOUBTFUL.

Ottawa, Ont., March 12.—The decision of the Miller bill committee to get the opinion of the Department of Justice on the phraseology of the bill was to make sure that in its present form it would not make private betting illegal. It is alleged that this was not intended by the promoters of the bill, but the minister of justice stated that there is some doubt as to whether in its present form private betting would not also be prohibited. The minority of the committee, Messrs. Monk and McColl, will not make a specific report against the bill, but it is understood that when it comes before the Commons they will propose certain limitations practically along the lines suggested by counsel for the horse racing and horse breeding interests. It has been arranged with the government that ample time will be given in Parliament for a full discussion of the bill.

CROKER REFUSES $100,000 FOR ORBY.

Palm Beach, Fla., March 12.—That Richard Croker recently refused $100,000 for Orby, his Derby winner, now in the stud at Glencairn, Ireland, has become known. The offer came from the Italian government. When Mr. Croker was asked why, he looked up quickly as if surprised. "Because," he said, "it was no price for him. As a business proposition he is worth twice that. The horse is good for twenty-five years yet and in the year that he has been in service he has earned $10,000 for me."

ANSWERS TO QUERIES.

J. K., Cincinnati, O. If a bookmaker refuses to pay, there is no redress.

Beattie, Welland, Ont. Do not know of any place in this country where ante-post wagers on races in England can be made.

R. E., Brampton, Ont. Polls did not lose and the bet was a draw. An understanding about such bets should be had when they are made.

J. W. G., Cincinnati, O. There was no separate place and show prices against Master John and the bets were draws whether the horse won or lost.

G. P. M., Toronto, Ont. Place and show bets on Master John were draws for the reason that no separate place and show prices were laid against him.

ARASEE BEATS BEST ON COAST.

San Francisco, Cal., March 12.—Arasee won the Petaluma Handicap at Oakland today, and in doing so beat some of the best racers on the coast. It was one of the best contests of the season and aroused much enthusiasm. A field of eight went to the post, with Arasee a heavily supported favorite. Jockey Glass took off the pace until the stretch was reached. Righteasy assumed command and gave way to Fort Johnson, which was cut down when running prominently. Glass saved ground with Arasee and, standing off the challenge of Bubbling Water, beat her by a neck. Orbicular was third.

Cluny showed that she is about the best two-year-old here by galloping home in front of Helen Barbee, Kormak and Dunc Campbell. Round and Round was regarded as a good thing in the fifth, but Edwin T. Fryer beat him easily. John H. Sheehan had no trouble in taking the last, in which Myles O'Connell bled.

At a sale of horses in training the following were disposed of: Duke of Milan, J. F. Johnson, $925; Glenmadeane, Mrs. Walter Vivell, $75; Silk, J. M. Crane, $500; Helen Carroll, J. M. Crane, $525; Palo Chiqueto, W. M. Cain, $400; Fontello, F. Butterfield; Aristotle, B. Schreiber; Ravelston II., S. P. Sargent.

Dr. Oikawa, representing the Japanese government, was a liberal purchaser at the sale of John Mackey's thoroughbred stock at Woodland recently. The horses will be shipped from this port to Japan immediately.

WHITNEY COLTS DOING WELL IN ENGLAND.

London, Eng., March 12.—Guineas and Derby horses at Newmarket are beginning to do interesting work. Neil Gow, after wintering well, has had several useful spins of seven-eighths. Mr. Gilpin has not got quite so far with Admiral Hawke, which has greatly improved in appearance, and other three-year-olds that have done particularly well are H. P. Whitney's Sallie of Navarre colt and Whisk Broom.

Time, **26, 52⅗, 1:19⅕, 1:47, 2:05⅘.**

Winner—B. m, by Algol—Miss Mary, by Powhattan (trained by W. V. Casey).

Went to post at 4:19. At post 1 minute. Start good. Won cantering; second and third driving. Mamie Algol, closer up than usual in the early running, moved up with a rush after entering the homestretch and drew away into a long lead. Vanen finished gamely under a drive and outstayed Oberon. The latter was much used in following Great Jubilee closely and was tiring at the end, but would have been second with a stronger finish. Great Jubilee set the pace to the stretch and tired badly. The winner was entered for $500; no bid.

Scratched—88437³ Woolstone, 103; (88068) St. Ilario, 109; 88069 Hans, 109.
